

LAIT Vale View HINDY 2 (PH)

Lovely quiet temperament, a good ‘all-round’ type of bull. We say he’s just neat everywhere, would make an idea stud sire.

His dam has produced 3 natural & 5 IVF calves, she’s an IVF daughter of Oasis A Mr Mint out of an impressive female line going back to Vale View Maresmo whose 5 sons averaged \$22,100.

The sire; Vale View Zed was sold in 2017 for \$22,000 to Mostyndale Stud, we were so impressed with the growth & stats on this bull we purchased a half share back & used him every second year. @ 25mths, sale time he was 1050kg with a beautiful temperament, very sound he produced us some lovely calves & still producing now in the Burnett View Stud herd.

Dam: Vale View Dixie 2 (IVF)

Sire: Vale View Zed

Maternal brother of dam
