

LOT 276 VALE VIEW BUSHIE 2 (PP) D4

Dam is a first calf heifer sired by Glenlands D Rhyddings. Her dam produced 7 calves, 3 females still active in our stud herd, 1 female sold, steer & 2 bulls sold privately.

Sire was a bull we sold at the 2017 DN sale to Leverdale Stud.

Bushie a 'Homogzygous Polled (PP)' is an exceptionally long bull with excellent raw data which showed he was 26kg, 42kg & 58kg heavier than his mates of similar ages at 200, 400 & 600 days.
