13mths. The first offering of our beautiful Eli Park Impact heifers. Gwen is an easy doing, very quiet young heifer, structurally very sound and backed by a lovely maternal female line. Her dam is 12yrs & PTIC producing 8 calves; 4 sons sold at auction sales, a steer & 3 heifers.

Sire: Eli Park Impact was a \$25,000 purchase from the 2021 DN Sale. Selected for his weight for age, tidy sheath, lovely polled head & being a son of Medway Queenslander.
