IDELLA 2

PH / 14 mths / 453kg

Long as a train, Idella 2 is your typical Eli Park Impact female, very wedged shape, perfect feet & lovely feminine outlook.

Dam is a Huntly Atom daughter who has 2 calves, she was the first cow to calve this season, she's a young cow with a bright future. Her female line goes back to the ever consistent Vale View Kandy.

Sire: Eli Park Impact has produced 9 sons to average \$13,711 & 7 daughters for a \$4,715 average. He throws 'true to type'.
