

# LOT 278 VALE VIEW CRONK 2 (P) D5

Dam has produced 3 calves to date, bull sold privately, Cronk & a weaner heifer. She's out of a very fertile female line Prue who produced 8 calves, 4 females were retained & bull (Thor) sold for \$12,500 at the 2011 DN Sale.

Sire; Vale View X-Man, his sons have topped at \$16,000, to date 15 sons have sold to avg \$8,665.

*Cronk is in the top 10-15% for 200, 400 & 600 Breedplan traits. A bull we were going to retain as a replacement for his sire, he's a strong well-muscled bull with loads of thickness & mobility.*

SIRE: VALE VIEW X-MAN

DAM: VALE VIEW X-PRUE
