13mths. Another well-grown young daughter of Huntly Atom, also being out of a consistent female line. Her dam has produced 4 calves & her grand-dam has produced 7 calves, she was also a show heifer in her day.

Sire was a \$20,000 purchase from the 2020 DN Sale, his daughters have sold to \$10,000 & sons to \$16,000. He was purchased for his flesh of skin, muscle, exceptional bone & sired by the ever consistent Redskin Fitzroy.

Dam: Vale View M Extacy & her dam

Sire: Huntly Atom
