

Lot 18 - Vale View M Hope (P) - 13 mths

Dam is a young donor cow with 4 natural calves to date, 1 of these daughters sold for \$5,500 last year, 2 daughters retained & IVF embryos implanted. She was selected as a donor female due to her consistency of type of progeny, fertility & overall soundness.

Sire; Vale View Ripper, his sons have sold to \$36,000 & daughters to \$18,000 for Bryvonlea Stud. Ripper is now deceased so limited stock will be available.

DAM: VALE VIEW XANADU & HER 3 DAUGHTERS
